FOREWORD

The 1960-61 year at Long Beach Polytechnic High School will soon be just a memory. As you take this 1961 Caerulea into your possession, it is the sincere hope of each member of the staff that you will appreciate our efforts to give you a record of the past year. We are sure that if you will take a moment now and then to thumb through the pages, many memories, golden and sometimes slightly blue, will be recalled to mind.

But these memories will not be limited to just the 1960-61 year, because the whole past is so closely interwoven with the present.

Not disregarding the past, we must strive to be conscious of the future, or that which is about to be. This is especially realized by the Seniors as they approach graduation. This forward projection of our thoughts is what is implicit in our theme, "An Awareness of the CAERULISTIC."

This word was coined by the staff to sum up the many intangible parts of what the theme means to us. It involves being aware of the future and embracing goals that will guide us in bringing these future ideals successfully into the present.

One definition of the future is "That which is about to be." When translated, Caerulea means Sea Blue. As many of us are now standing at the shore of an imaginary sea, contemplating upon that which is about to be, CAERULISTIC is just the word to express our theme.

This, then, is your Caerulea . . .

GEORGE R. TRACY

In appreciation for his service and loyalty to
Long Beach Polytechnic High School

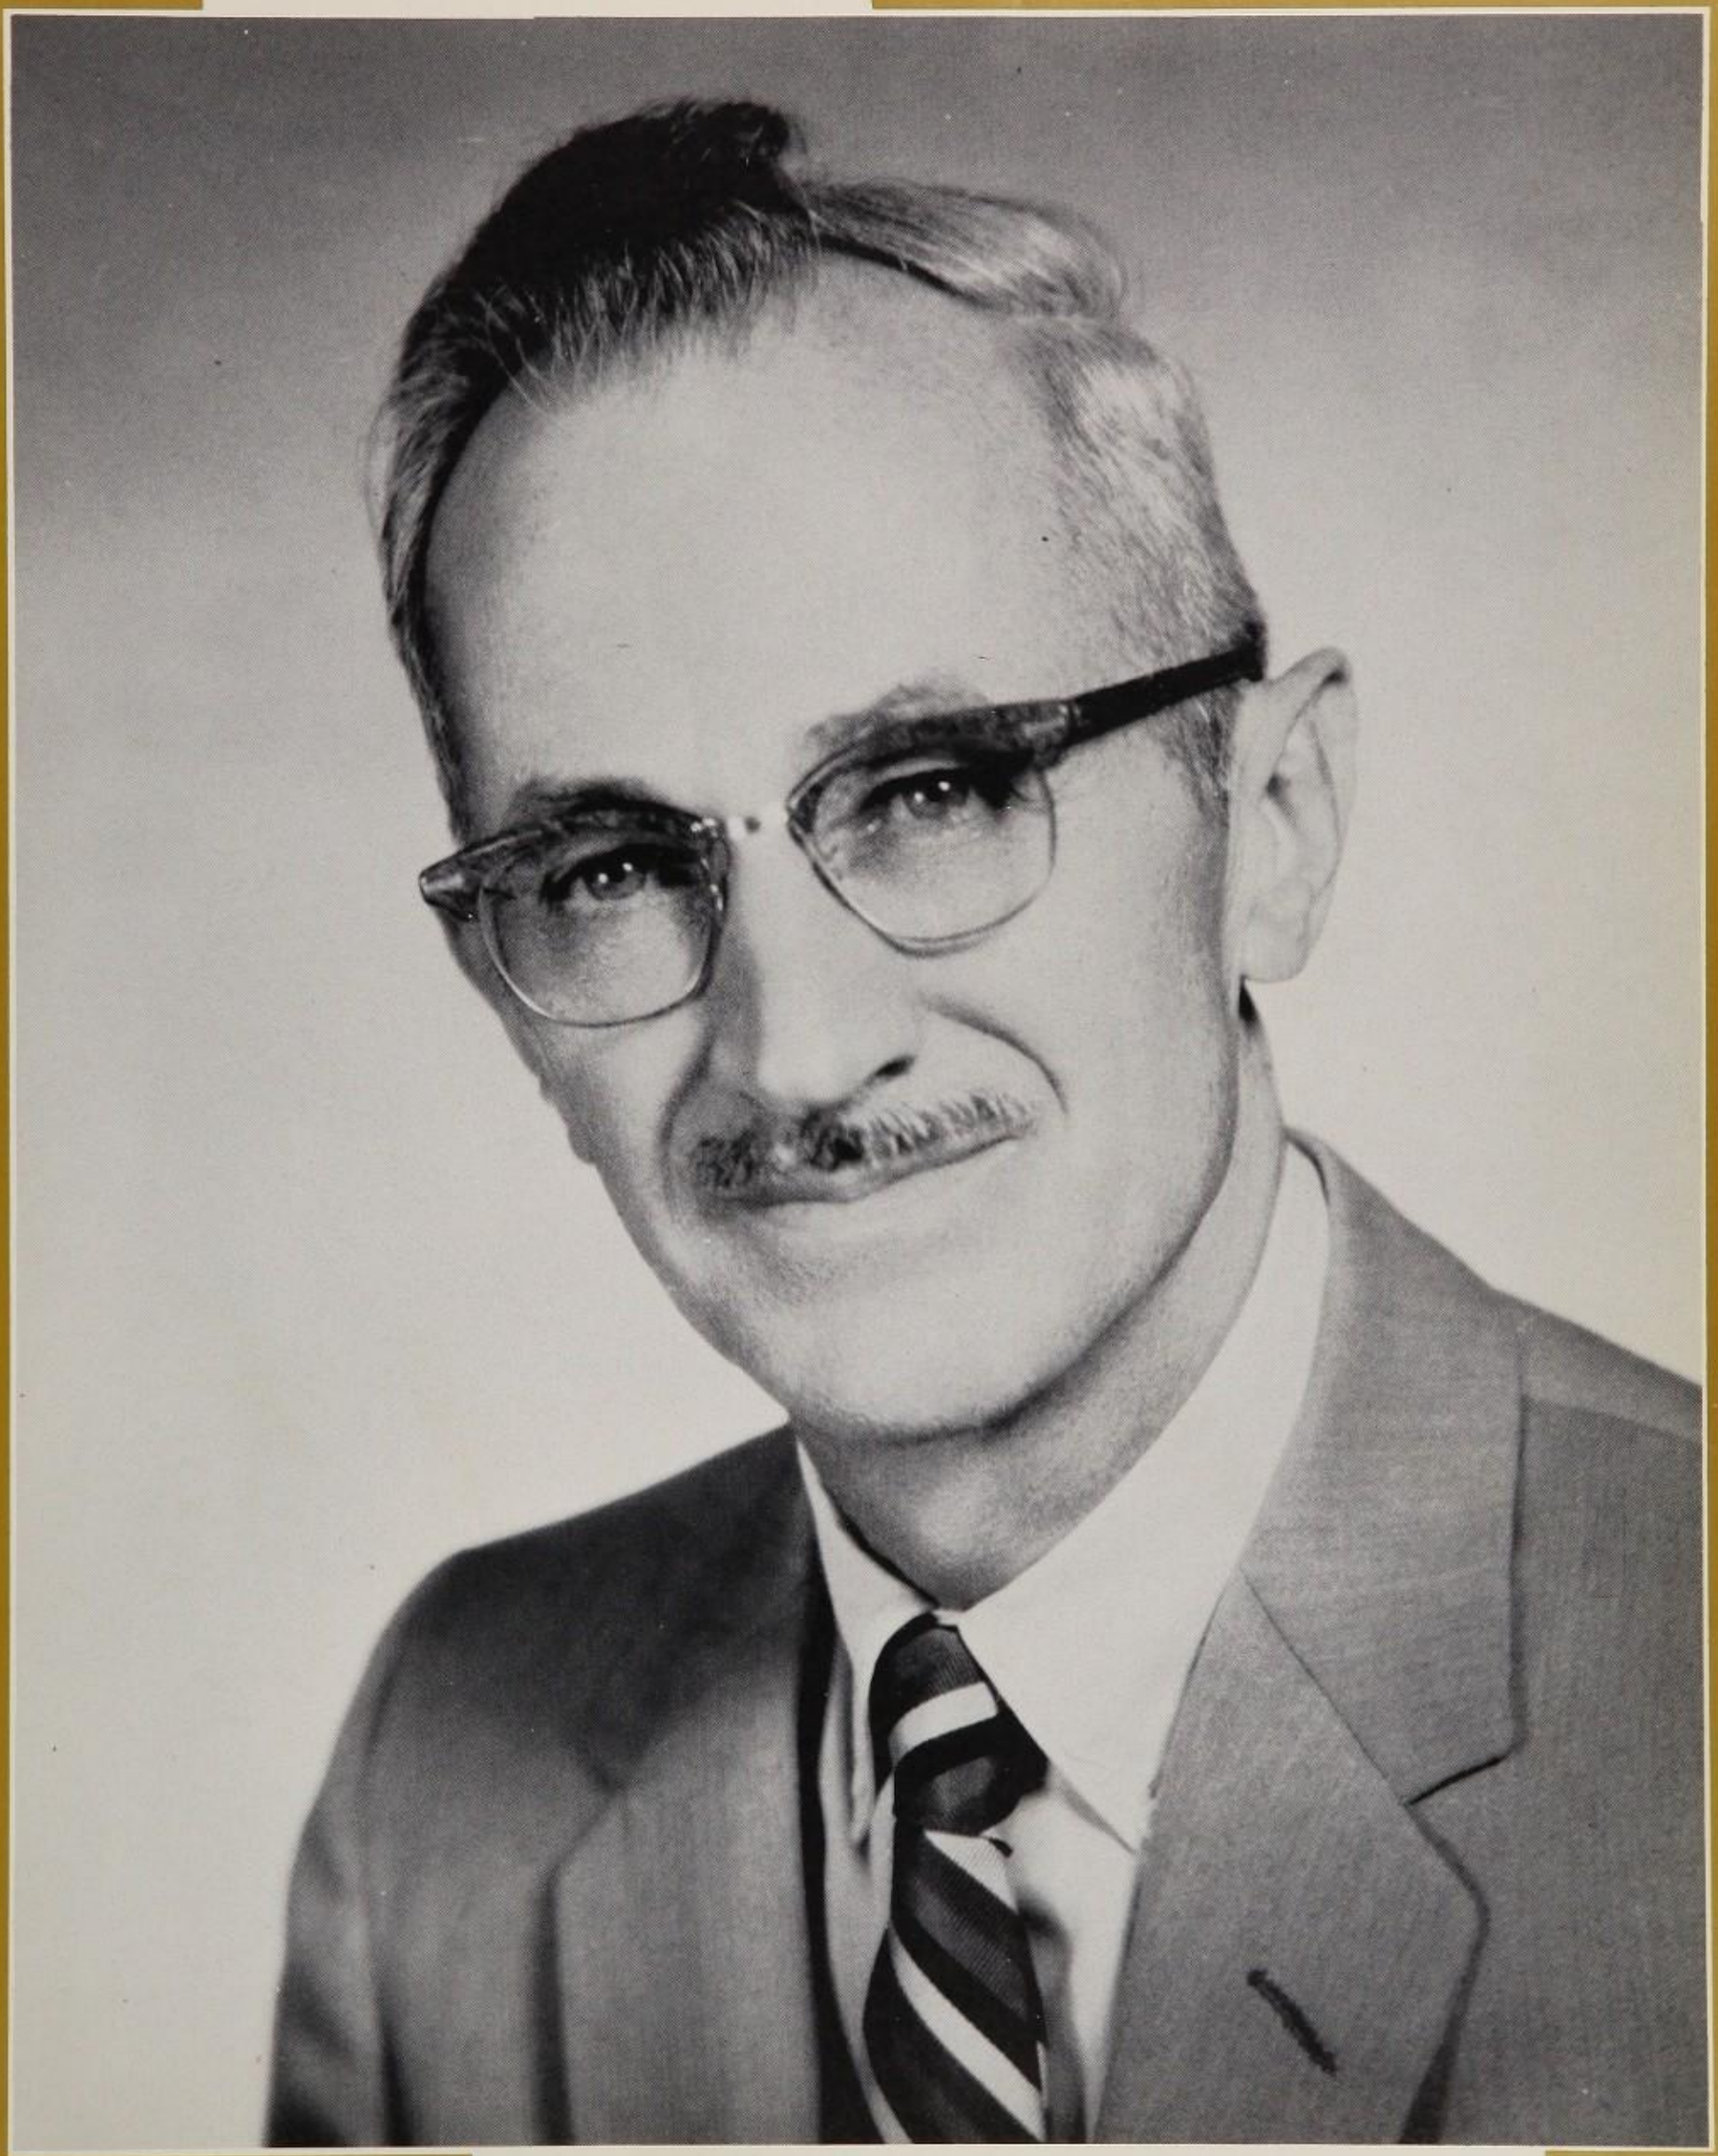
As a revered teacher,

As a friendly advisor to students,

As a respected member of the faculty,

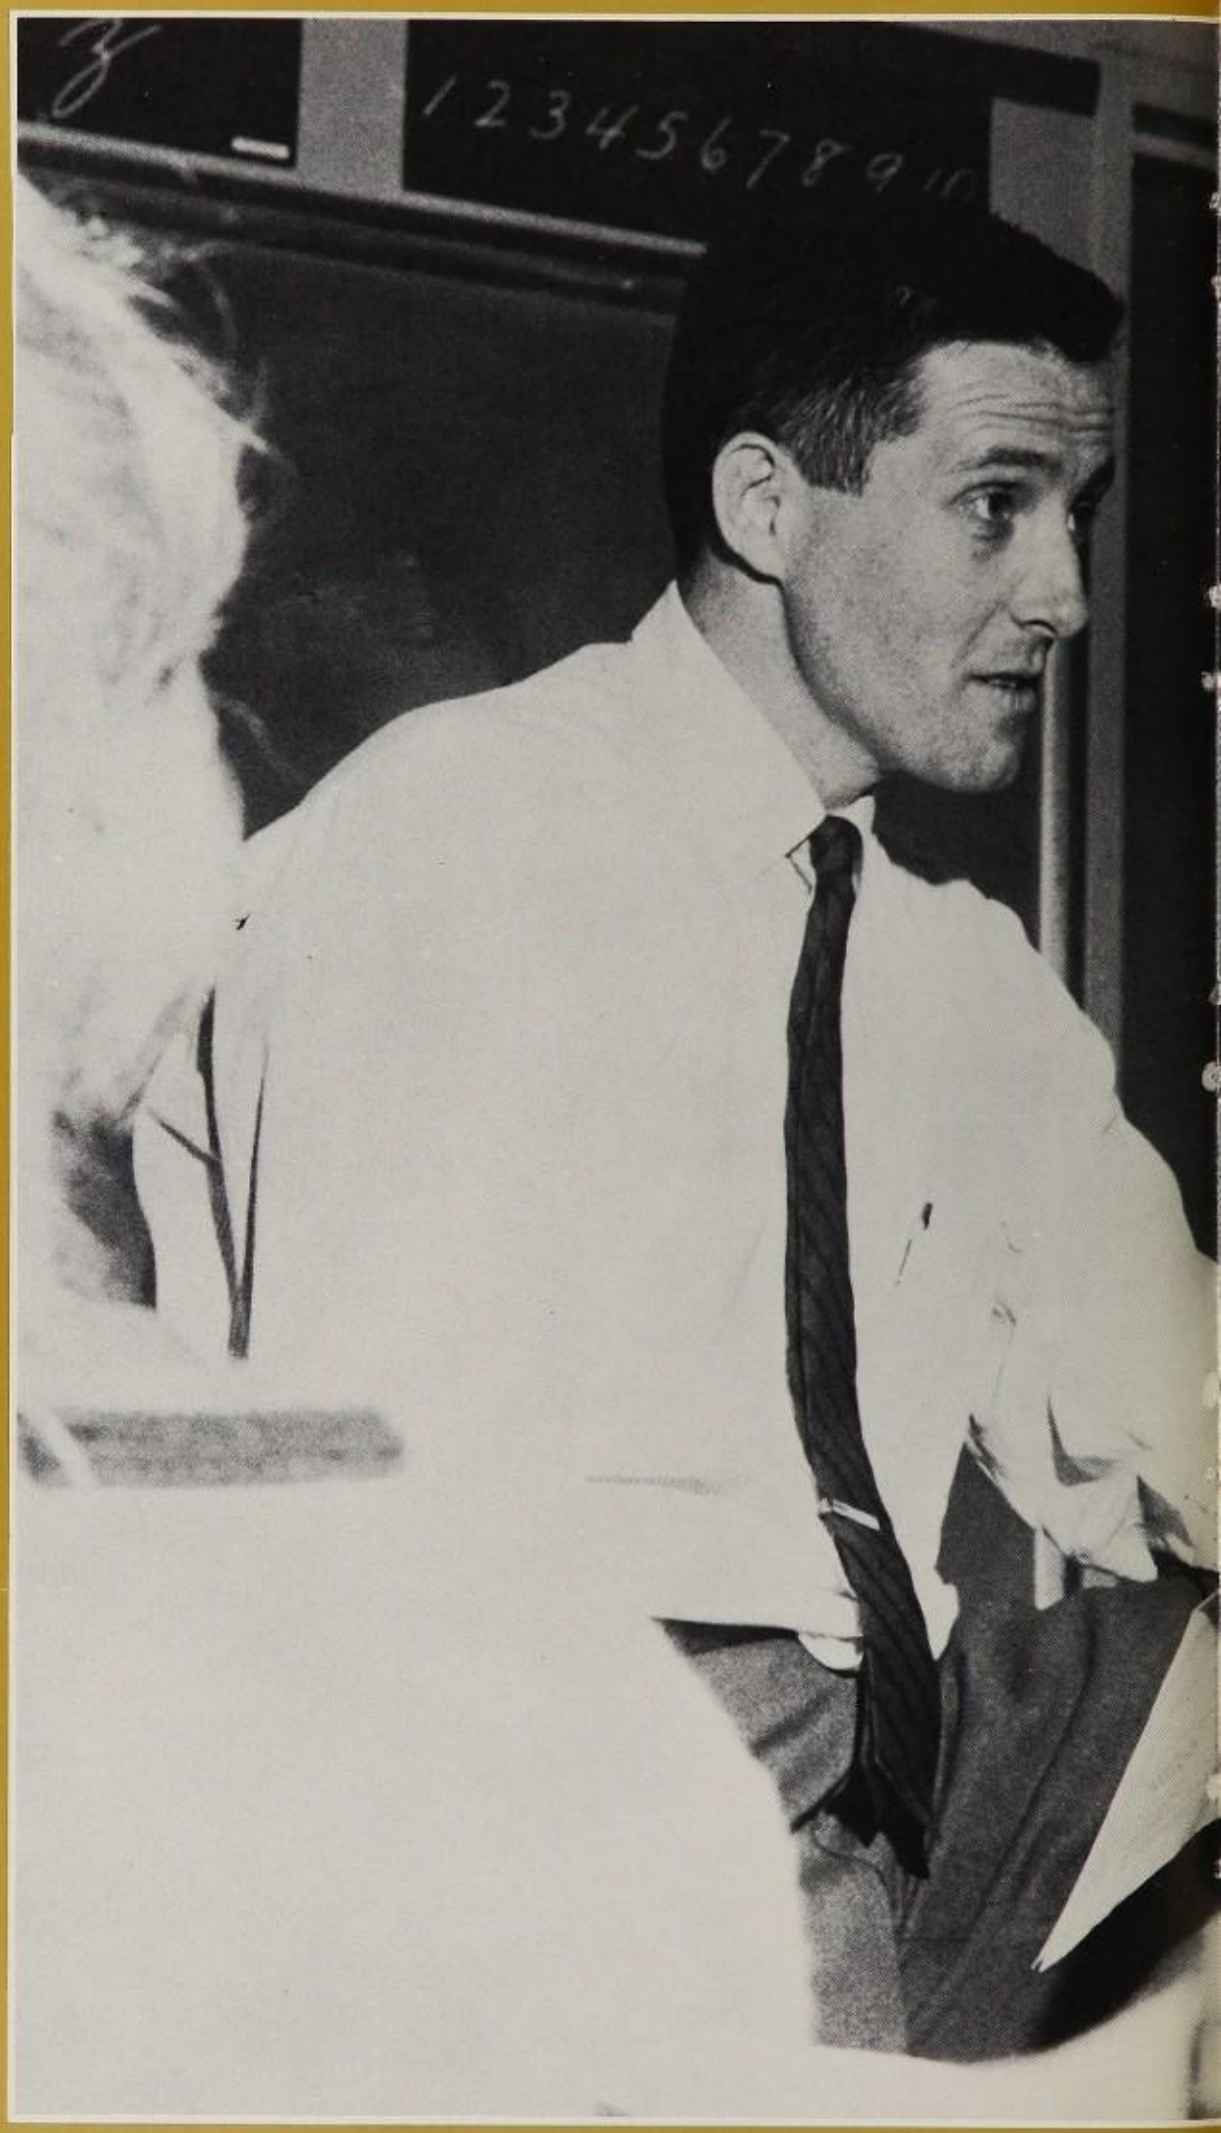
As a conscientious sponsor of California Scholarship
Federation, Chapter 22,

As a stimulator of thoughts and ideas.



MR. GEORGE R. TRACY

faculty



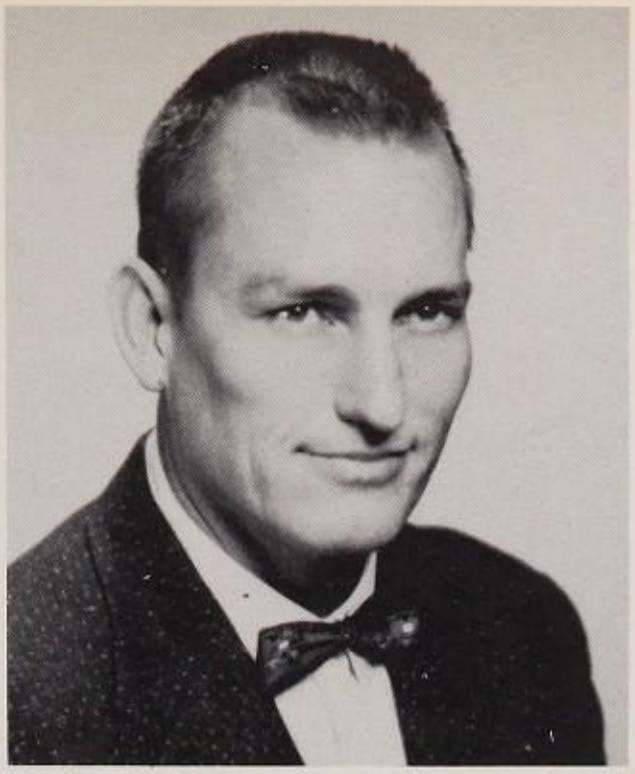
We at Poly salute our faculty, who, through their outstanding ability, have made it possible for us to meet the challenge of the world today as we enter to learn—go forth to serve.

PRINCIPAL

NEIL W. PHILIPS

We at Polytechnic High School are indeed fortunate to have as our principal such an excellent leader as Neil W. Philips. With his expert guidance our school will continue to be the Home of Scholars and Champions.

Efficient, conscientious, and personable are all words which may be used to aptly describe our administrators. The offices which they fulfill so well are time consuming; yet these leaders are never too busy to guide and give an encouraging word to an aspiring young person. Our sincere gratitude and thanks go to these, our administrators.



EDWARD McKENZIE
Vice-Principal

Joining Poly's outstanding administrative staff this year is Edward McKenzie, Vice-Principal. The position of Vice-Principal is one of great responsibility, requiring a genuine liking for young people and a sincere desire to help them. Mr. McKenzie possesses all of these and many more such admirable qualities. We are proud to have him at Poly.

PARENT-TEACHER ASSOCIATION

Besides taking an active part in the welfare work of our campus, our Parent-Teacher Association has provided a very close link between the school and the home. It has established a feeling of understanding and cooperation which serves to make the task of being a parent, student, or teacher much more rewarding.

STUDENT BODY PRESIDENT
FALL SEMESTER

The moment Ruby Hada finished her campaign speech last June the student body knew that she possessed a very important quality, enthusiasm. Her enthusiasm made tasks easier, bolstered school spirit, and made everyone feel like trying just a little harder.

Leadership is stressed in the life of Ruby Hada. She served as sophomore and junior class president, corresponding secretary of Tabek, vice-president of Tajma, corresponding secretary of Portia, recording secretary of Socorro Aqui, and pledge mistress of Bohemians. At present she represents Poly as a Buffum's Young Careerist and is also recipient of the two-jeweled "L." Her future college plans include either Long Beach State or U.C.L.A., where her major will be business administration.

RUBY HADA

DAVID STARR

With efficiency as the theme, the administration of David Starr has brought a great sense of dignity and respect to the office of Student Body President. David has not only done an excellent job in adding eminence to Poly's city standing, but also he has shown concern for the individual student.

David's other accomplishments include sealbearer, two-jeweled "L," Editor-in-Chief of High Life, and president of Junior Exchange. Because of his talent in the field of writing, he spent a summer session at Northwestern University. He also received first place in the local Ford Foundation Contest and competed in the national finals in Detroit. Future plans for David include a political science or liberal arts major at a California university.

STUDENT

Under the able direction of Mr. William Miller, the director of activities, and the leadership of Student Body Presidents Ruby Hada and David Starr, the Student Government class of 1960-61 learned and accomplished much.

A new and more up-to-date Gold "L" system was one of the major contributions of this class. So that more individuals could become familiar with the workings of Student Government, many History classes were allowed to observe the class in action.

GOVERNMENT

The Student Government put on an assembly of their "talent" which was enthusiastically received by the student body. We hope this will become a yearly event.

The Commissioners meet every Thursday morning to discuss the problems and opinions of the entire student body. The meetings are a demonstration of our student democracy in action.

GIRLS' LEAGUE

The big event of the year for Girls' League was the Southern California Conference, with Long Beach acting as host. Poly girls spent many hours of planning for this event.

Judy Jones and Barbara Bradley led the organization for this year. Among their undertakings were the annual Porter High Day and Backwards Dance, the New Girls' Picnic, and the Pizza Party. Proceeds from the dance went to the Girls' League Scholarship. Meetings are held every Monday after school. All girls interested in the activities of Girls' League are encouraged to attend and become members of a committee. Girls' League was sponsored this year by Miss Lois Zelsdorf and Miss Barbara McMichael.

FALL SEMESTER PRESIDENT

Jim Murray

The Boys' League has seen a very busy year under the leadership of fall president Jim Murray and spring president Norm Morrow.

Committees were organized and reported their progress every week to the president. Meetings were held every two weeks. Boys' League members have sold refreshments at game concessions all year and have tripled the amount of the usual David Burcham Scholarship. They also award a plaque to the outstanding service club annually.

Boys' League Week was a new event on the calendar this year. Its kick-off was a breakfast. Intramural sports programs, sponsored by Boys' League, were held during this week.

CAERULEA
TRIKE RACE WINNERS

Always a highlight of the annual Casual Day activities is the *Caerulea* Trike Race. In the stock races defending boys' champs, Phi Beta Chi, were triumphant for the second straight year. Showing outstanding trikemanship was Zayn, who defeated last year's champs. The screaming was loud as the winners of these exciting races crossed over the finish line. Congratulations are also extended to Ragads and Sphinx, the winners of the Custom Trike Race.

HUTCH

During this school year Poly's Hutch has become the center of many activities. Under the leadership of presidents Jan Sutton and Pat Ellis, many successful functions have been held.

Two dances stand out as being the highlights. Their themes were the "Casual Dance," which took place after the Caerulea casual day and trike race, and the Second Annual "Crumbiest Dance of the Year."

OFFICERS: L. Wolfe, C. Corum, J. Sutton, K. Browning, P. Ellis, (not pictured) M. Barbee, J. Lonski, S. Mason.

OFFICERS: H. White, B. Nelson, P. Champion, J. Winfield, J. Davidson.

The Teen Tavern's biggest social event of this school year was the annual "Hobo Hop." Students from all the different social clubs and Hutch members were invited to attend and to participate in the dance contest.

Two capable leaders, JoAnn Winfield and Joyce Davidson, have planned and carried out many successful activities. The Teen Tavern has become a center of activity all year 'round.

VIVALDI'S "GLORIA" CHRISTMAS OFFERING

LONG BEACH POLY *High Life*

Volume 40-1 Long Beach 15, California—December 21, 1961 Number 6

Music, Art Departments Present Yule Festival; Public Invited Tonight

Today, December 15, and tomorrow during the assembly periods the A Cappella Choir, under the direction of Gabriel L. Castro, along with the string ensemble, will present "Gloria" by Vivaldi. Included in the program is the 4-movement choir group. Particularly the exotic background scenery are the art classes.

The entire production, in its entirety, will be presented to the public tonight at another performance at 8 p.m. in the Long Beach Polytechnic auditorium. Although there is no charge admission is by tickets only. These tickets may be obtained from William M. Miller, activities director, or Lawrie M. Davis, student body director.

Two featured soloists, Thelma Jackson and Clara Perry, treasurer and clerk. The A cappella Choir will also give two Ron Ducky arrangements and production of "The Night Before Christmas." Parts of this number will be sung by members of the Poly chorale group. The lights and musical characterization of St. Nicholas will be done by Gary Langrehr.

One of the more beautiful productions numbers features the Advanced Dancing Class under the artistic direction of Mary D. Wills. Background for the number will be "The Twelve Days of Christmas," which has been recorded by the Senior Girls' Choir. Principal actors in the drama are Lee Chaney and Glenn Shamlin. The major portion of the emotional tones place when Lee brings to Ginger a diff ferent gift on each of the 12 days before Christmas.

"These Three are those named in the song which range from a partridge to senior dinosaurs. The setting is in England during the Elizabethan period.

An interesting and enjoyable innovation has been added this year. Lined in the auditorium foyer, members of the Polyrhythms and Six Steps of Harmony will gather and orient Christmas music. The orchestra, under the leadership of Robert H. Dill, will provide the instrumental accompaniment.

ON THE FIRST DAY OF CHRISTMAS, my true love gave to me: Ginger Shamlin unobtrusively to allow Lee Chaney to ply her heart with gifts on the first of the "Twelve Days of Christmas."

Plans Revise Award System

By Paul Brantingham

During the past semester several loopholes have appeared which have dramatically pointed out a need for revision of the present Gold L awards system. It was discovered that many of the officers of the outstanding and important student organizations, including California Scholarship Federation, Portia, High Life, American Field Service Club, and Polyethics, held their offices illegally because of inadequacies in the Gold L system. Recognizing that a new and more effective awards system was necessary the Polytechnic Student Government formed two committees, one headed by Jo Navarri, the other by Dave Starr, to study the situation and create plans for the revision or replacement of the present system. Each committee came up with a separate plan. Both revisions are now being considered by the Student Body Commission.

NAVARI'S SYSTEM

This proposal will not necessarily change the existing system. In it, a new emphasis is given to the sections of the present system. Its stated purpose is to "give equal opportunity to all students and to create overly aggressive students."

An amendment will be added to the student body by-laws to the effect that all members of the student body are subject to and must follow the Gold L system requirements.

The system does not change sections 1-9 in the existing awards program. The only change from the present system presented in this proposal embodies a redistribution of the number of points a student may collect during a given semester, boosting the total from the present 10 points to 12 points. For other specifications in this proposal, the student is referred to the Student Body Handbook.

STARR'S SYSTEM

This proposal, like the above, would enter an amendment to the student body by-laws, tying the Gold L system into the organization of the student body.

A re-evaluation of the existing Gold L eligibility is presented, along with provisions for enforcing the eligibility ratings. A stricter interpretation of eligibility is called for in this presentation.

The importance of this system lies in a re-development of the existing Gold L office grouping policy. Essentially, it splits the present large Group I Classification into a Group I and a Group II, the present Group II offices becoming Group III. Under this system, the Group I Classification pertains only to Major Student Body Offices. Other important offices which are now considered Group I will be called Group II. This regrouping should eliminate much of the confusion associated with the present grouping systems. Presently non-grouped activities will not be affected by this system.

Radio Workshop Schedules Program

Radio Production Workshop is resuming another productive year of service and enjoyment to the school and the community.

A big project this term is a series of radio programs to be broadcast at the Veterans Hospital in Long Beach. This idea was put into practice last year and was highly successful. These programs are prepared solely by the students. They direct, act, and write the scripts.

Previous performances of the Radio Workshop include programs for the Masonic Lodge and the Freedoms' Foundation.

The Workshop's main goal is to produce programs on par with professional shows. The class puts an emphasis on development of diction and confidence and poise.

Radio Production Workshop consists of 22 students, fourteen of whom are boys.

Marc D. Ross very ably instructs the class of outstanding students.

Gallery Show Features Firs, Winter Scenes

Christian shows have been held annually in the Howard Rake's Gallery for more than ten years. This year the show opens with a shower of new ideas and versatile under the direction of Richard White. The display involves from the traditions of the Christmas tree, its title being taken from the famous German tune "O Tannenbaum." The entire south wall of the gallery is devoted to the Christmas tree's development since early times, and sparkles with a galaxy of trees and winter landscape forms. This 36 by 13 foot mural is done through the medium of a newspaper technique known as collage.

Areas of interest in the display package which contains a gift for the accurate guesser. This year the Wagt is a large painting by Al Lamar, guard the surprise package, which is one of their three-dimensional jeweled gifts. These gifts are designed by Karen Jean Johnson.

Another major exhibit in the show involves student paintings, which are displayed in their own private gallery. These paintings, which transport the Christmas theme in various techniques, are done in tactical groups, individually lighted, and are to be judged by a panel of art teachers for first, second, and third place representation awards.

Margaret Price, Nina Goldblatt Acclaimed for Top Achievement

Probably the most interesting phase of Margaret Price's activities is the duty of editor of the Poly Caterider. One often wonders who has the clever ideas which are presented in the Caterider each year. Margaret, Student of the Week, can take a bow for many of these.

Attaining an "A" average is quite an accomplishment. Margaret fulfills this and is a possible valedictorian also.

Being a member of Zeta Tabet, vice-president of C.S.F., Advisory Board of Girls' League, and secretary of advanced swimming are efforts that keep this Polyite busy.

Advanced drama is one of Nina's favorite classes. With an

Cadets Announce "Military Ball"

Poly's Military Review Department recently announced the date and location of its annual "Military Ball." This dance will be held on February 11, 1961, at the Masonic Temple, 3630 Locust Avenue, in Bixby Knolls.

Bids will be on sale to R.O.T.C. cadets after Christmas vacation.

Volume 40-8 Long Beach 15, California—January 27, 1961 Number 8

New President David J. Starr

Newly elected president of Long Beach Poly Student Body for the spring semester is Dave Starr. Student body president will not be Dave's initial administrative job. During the past semester he was editor of "High Life," president of the California Scholarship Federation, member of student government class in charge of publicity, editor of "Torn Jumper" page of the Independent Press Telegram, and president of the "Dime Exchange Club."

Under the "Stars" administration are the following commissioners: Judy Jones, athletic; Julie Platt, welfare; Fred Burrell, publicity; Roger Cleveland, athletics; Carol Bjelgaumenous, Cheryl Bailey, arts; Judy Brewster, secretary. The president of Cavalier of Corrinne is Diane Bloom.

Boys and Girls Leagues elected as their respective presidents Norm Marrow and Becky Bradley. Remaining officers of Boys' League include Richard Tabernas, and Myles Ross. Rounding out the Girls' League are Marilyn Dodds, Jean Ward, and Sandi Servas. The offices of vice-president is still undecided.

Officers for the March include Pat Ellis, Corky Wolfe, Karen Browning, Jon Ryder, and Charles Curran. Reading Tom Tassin are Ann Winfield, Brenda Nelson, Marilyn Carter, and Helen White.

Sally Sommer Honored

Selected as the Long Beach Polytechnic High School 1961 Betty Crocker "Homemaker of Tomorrow" is Sally Ann Sommer.

Having received the highest score in a written examination on homemaking knowledge and attitudes taken by the graduating seniors in her high school, she became a candidate for the state "Homemaker of Tomorrow" awards which will be announced in March.

Each school "Homemaker of Tomorrow" will receive an award of recognition, the slogan "Home is Where the Heart Is." The non-military pattern of school "Homemakers of Tomorrow" will be entered to compete to name the state's "Homemaker of Tomorrow."

The 100,000 dollar homemaking education program sponsored by General Mills offers a 1,500 dollar scholarship to the first ranking girl in each state and a 500 dollar scholarship to the state's second ranking participant.

"State Homemakers of Tomorrow" and their faculty advisors will tour New York City, Colonial Williamsburg, Va., and Washington, D.C., April 9-15, the trip culminating in the announcement of the "All-American Homemaker of Tomorrow" whose scholarship is increased to 5,000 dollars.

Top Department Students Enter Scholastic Art Awards Competition

As thousands of Southland student artists from more than 500 schools in ten counties submitted their best work for the 13th annual Scholastic Art Awards competition, a future Picasso, Rodin, or Steichen may be uncovered soon.

Richard White and Sue Blackwood, Long Beach Poly participants, won local honors last year, and their work was entered in the national exhibition.

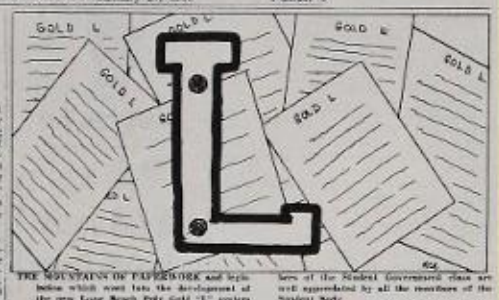
Robert J. Alaniz, art teacher commenting on the contest said, "Long Beach Poly has always been well represented in the local and national exhibits."

At least 5000 entries are expected from students in public, private, and parochial schools at the junior and senior level.

Every Poly, 1961 will be selected for exhibition here and the 300 best "gold key" winners will be sent to New York to vie for scholarships and cash awards in the national competition sponsored by Scholastic Magazine. Six thousand Certificates of Merit also will be presented locally.

The art department is also planning two new shows. Those include The Eastern Color Company Photographic Awards February 6-8, and the Junior Red Cross International Art Exhibit, which will include paintings and drawings by the youth of many nations. The Junior Red Cross show will open February 24, and continue until February 28. Margaret Shill, newly elected officer for the second semester, will be the gallery director.

Student art leaders include Dan Moore, Jim Daniels, Mike



THE MOUNTAIN OF ENDEAVOR and legislation which went into the development of the new Long Beach Poly Gold "L" system and the hours of work put in by the members of the Student Government class are well appreciated by all the members of the Student Body.

Poly School Government Amends Gold "L" System

There has been a lot said this year about the inadequacies of our school governing documents, namely the Gold "L" system. In the beginning there was a lot that needed to be said.

If the students of Long Beach Polytechnic High School are going to work under and benefit by such a system, it should at least be workable. At the End of this year, the system was not at all satisfactory in this respect.

But, through the diligence of the student government class, a new system, a workable system, has been developed. This was an extremely difficult task, one that took time and effort. See editorial on page two of the next edition of this paper.) In this case, the result of such effort is highly commendable. Gold Life wishes to give special commendation to Cheryl Rainer, David Starr and William M. Miller — our activities director — who did a splendid job in combining our passing suggestions.) It is conferred around a three group plan where a student may hold a major office, one minor office, and participate in an unlimited number of other activities.

The major feature in the new system is the addition of a number of point. Although, in some activities, the number of points which may be collected has been lowered, points will be given for activities not formerly included under the Gold "L" system. For example: officers and members of service, welfare and interest clubs will be able to collect points.

An amendment to the Student Body Constitution ties the system in with the governing guide for our school, a necessity which was missing before. This amendment will make it mandatory for all students to follow the limitation of 1 group I and 1 group II or no group I and 2 group II offices. (Keep in mind that a group II office will, under the new system, be a major position, whether they plan to collect points or not, but will limit a person in participation as a member.

Steve Gilbert, Jane Fast Receive Coveted Plaudits

Presently reigning as "Student of the Week" and Officer of the Week" are Steve Gilbert and Jane Fast, respectively. These outstanding students' achievements appear in the window on either side of the clock in the administration building.

Steve Gilbert, an active member in varied campus organizations, Key Club, Student Body, Girls' League, Phi Sigma Chi and Lettermen's Club and

Jane Fast, holding the title of "Officer of the Week," is one of Poly's top scholars. She maintains an admirable "A" average. Known by many students as president of Chamber of Commerce and Portia, Jane also holds membership in Girls' League, Phi Sigma Chi and Lettermen's Club.

Below is Poly's Pop Hyde, a well-known figure at all sports events until his death. His memory will continue to live at Poly.

ART GALLERY

The Howard Hicks Memorial Art Gallery promotes an understanding and appreciation of art among the student body.

This year several successful and stimulating shows were presented. The first one of the year was the annual "Rah Rah Show" which proved to be quite interesting. Other shows included the "Kodak Photography Show" which featured prize winning photographs, the "Christmas Show," the "Red Cross Show," "Student Creates," and "Poly Photography."

Student directors of the Gallery were Margaret Still and Richard White. A new sponsor guided the class in their work this year. Mr. Robert Adams, who has been a member of Poly's art staff for eleven years, did a commendable job. He is an artist in his own right and has had many of his works shown in the Long Beach Gallery.

As a club, the Gallery class planned outside activities. One of these was their "Der Feast," a banquet to which they invited prospective Gallery members from various junior high schools.

A great improvement in the Spring counseling is the use of Hick's Gallery. As shown in this picture, students come to the gallery and wait until their counselors call them. This new method has improved the efficiency in counseling procedures and is appreciated by the students and the faculty.

A very important place on campus is the Poly Student Store. Students depend on it to provide them with necessary school supplies. Not so essential, but equally important, are the refreshments which may be purchased there.

NATIONAL HONOR SOCIETY

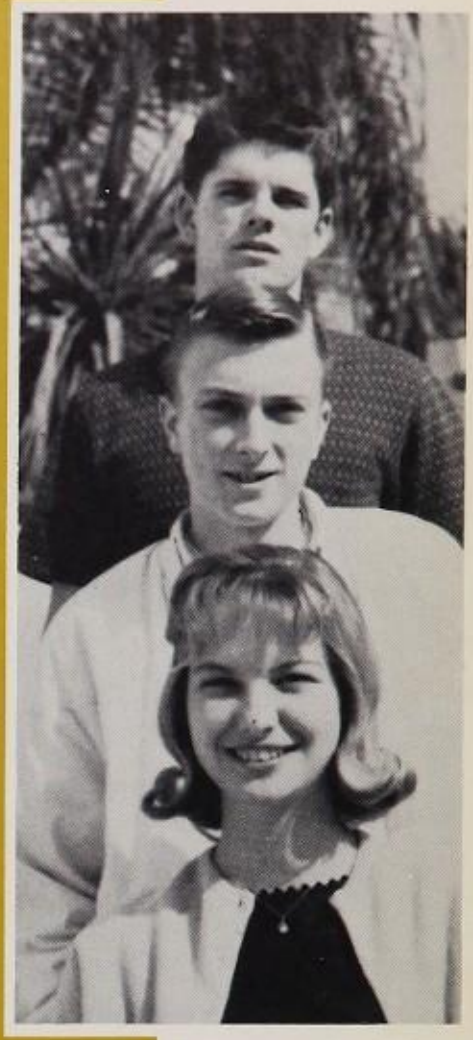
SOPHOMORE AND JUNIOR MEMBERS

The George R. Tracy chapter of the National Honor Society was officially organized on the Poly campus this year. Membership is limited to those who can qualify in the fields of Citizenship, Leadershrip, Scholarship and Service. The sponsor is Mr. W. Waite.



OFFICERS, top to bottom: Greg Fuller, President; Glen Schofield, Vice-President; Barbara Bradley, Secretary; Dave Campbell, Vice-Treasurer (not pictured)

SENIOR MEMBERS

REPRESENTATIVES

ROW ONE: P. Nagle, D. Lickert, J. Schroyer, G. Lapid, S. Duke, S. Andrew, S. Kemmer.

ROW TWO: L. Keenan, S. Schield, M. Hancock, K. Sandwick, L. Connell, S. Irwin, K. Frizell, C. Solomon, J. Kobayashi.

ROW THREE: J. Smith, R. Bemis, D. Bannister, P. Logan, D. Willis, M. Janich, J. Fite, R. Brown, C. Shively.

OFFICERS

Francie Caldwell, Secretary; Richard Victor, Vice-President; Mike Evans, President.

Led by Mike Evans, Rich Victor, and Francie Caldwell, the sophomore class fall semester was very active this year. After the sophomores became accustomed to the novelty of a new school, a very successful Hi-Jinx was held. Another activity carried out during the fall semester was the sponsoring of the canned food drive.

The new sophomores of Poly have truly shown that they will be very successful as the graduating class of 1963.

SECOND ROW: P. Nagel, J. Schroyer.

OFFICERS
Jan Schroyer, Secretary; Sharon Duke, Vice-President; Gary Lapid, President.

of '63

Gary Lapid, the sophomore president for the spring semester, and the rest of the officers and representatives again demonstrated the enthusiasm of the lower-classmen at Poly. They held a successful Hi-Jinx and annual Sophomore Dance. Their dues drive was the best in a long time. We are sure that the class of '63 will continue to show their outstanding ability in school activities.

OFFICERS

Nikky Sakimoto, President; Hope Zink, Secretary; Kathy Shiba, Vice President.

Class

Our outstanding fall junior class President Nikky Sakimoto has done a tremendous job in leading the class of '62. This class has been active in defining senior class privileges.

Last October the class held its fall Hi-Jinx which was a big success. The 1961 junior class is extremely active and has the highest percentage of membership during Mr. Miller's three years as Activities Director at Poly.

Indeed, Nikky and her fellow-officers, Hope Zink and Kathy Shiba, should be commended for their great job during the fall semester.

REPRESENTATIVES

FIRST ROW:
J. Crepeau,
H. Hogg,
C. Rollo,
G. Berger,
C. Indes.

SECOND ROW:
D. Opsal,
B. Nelson,
L. LeLacheur,
H. Zink,
K. Kingsbury.

OFFICERS

Gloria Berger, Secretary; Ray Huey, President; Carol Rollo, Vice-President.

of '62

Ray Huey, our spring junior class President, accomplished a job to be proud of during his term. While in office, he and the junior class representatives put into practice the idea of having a senior lunch line. This was the beginning of senior privileges at L.B. Poly.

The junior class sponsored a "Loyalty" essay contest and introduced the new "Gold L" system. Also, during Ray's time in office, the second of the two bi-annual Junior Hi-Jinxes was held.

The juniors have done a fine job this year and are destined to be an outstanding graduating class in 1962.

MASCOT

For a half century Jonathon Jackrabbit has been the symbol of Long Beach Polytechnic High School. When Poly was moved from the Chautaugua Building at 4th and Pine to 16th and Atlantic, only rabbits were seen on the land. Since then our school has developed into a thriving campus city, and Jonathon is still our famed mascot.

Athletics

Without a doubt, Long Beach Polytechnic High School's athletes epitomize the never-say-die spirit of true champions. Always exhibiting a sincere dedication to their school, these skilled competitors possess and demonstrate an inspiring unity of effort that is ardently sought by many, yet seldom achieved. "The Home of Scholars and Champions" team-spirit is to be praised. Hard work, determination and conscientious training are obviously important and contributive factors to Poly's continued success. In the heart of every Polyite, found with the memories of ecstasy in triumph and tears in defeat, there is a hallowed place for the defenders of the "Green and Gold." For our beloved challengers enter each new game with self-respect and honor, always upholding the tradition and outstanding name of their Alma Mater. Our boys *are* the champs—win, lose, or draw.

The thirteenth annual "Milk Bowl" witnessed by 15,000 fans was a thrilling seasonal preview, a day marked with surprises and misfortune. The Poly Jackrabbits were pitted against Lakewood and Jordan, winning 6-0 and losing 6-0. Harvey Crow, pictured at the left, was injured at the beginning of the first game. This was a sad moment for Poly fans, as Crow, rated the best runner in the city, was out for the season.

MOORE LEAGUE CHAMPS

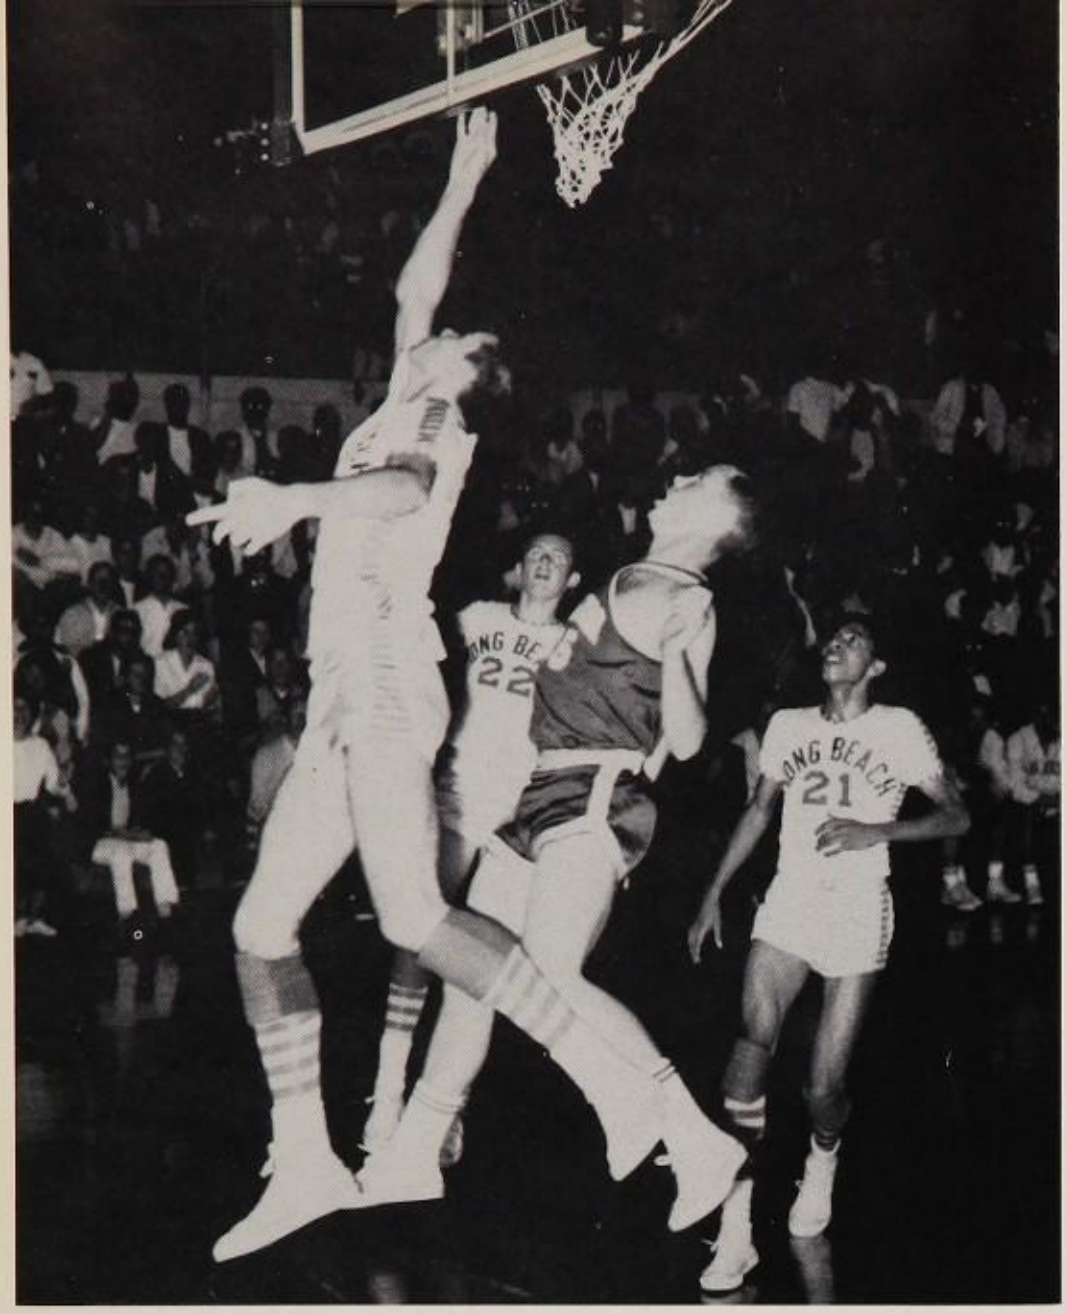
Poly's basketball team, as is generally the case every season, produced one of the Southland's outstanding prep cage squads. Under the masterful guidance of head coach Bill Mulligan, the Hares stormed through an unbeaten league schedule and culminated a 26 win and 3 loss season record by entering the C.I.F. playoffs ranked only behind Compton's great team.

The Jackrabbits. in the middle of their fine season, won the Covina Tournament, adding to the list of their achievements. By rolling over Glendale 68-59 (in the final game) the Hares were able to net their first tournament championship in seven years of Covina Tournament play.

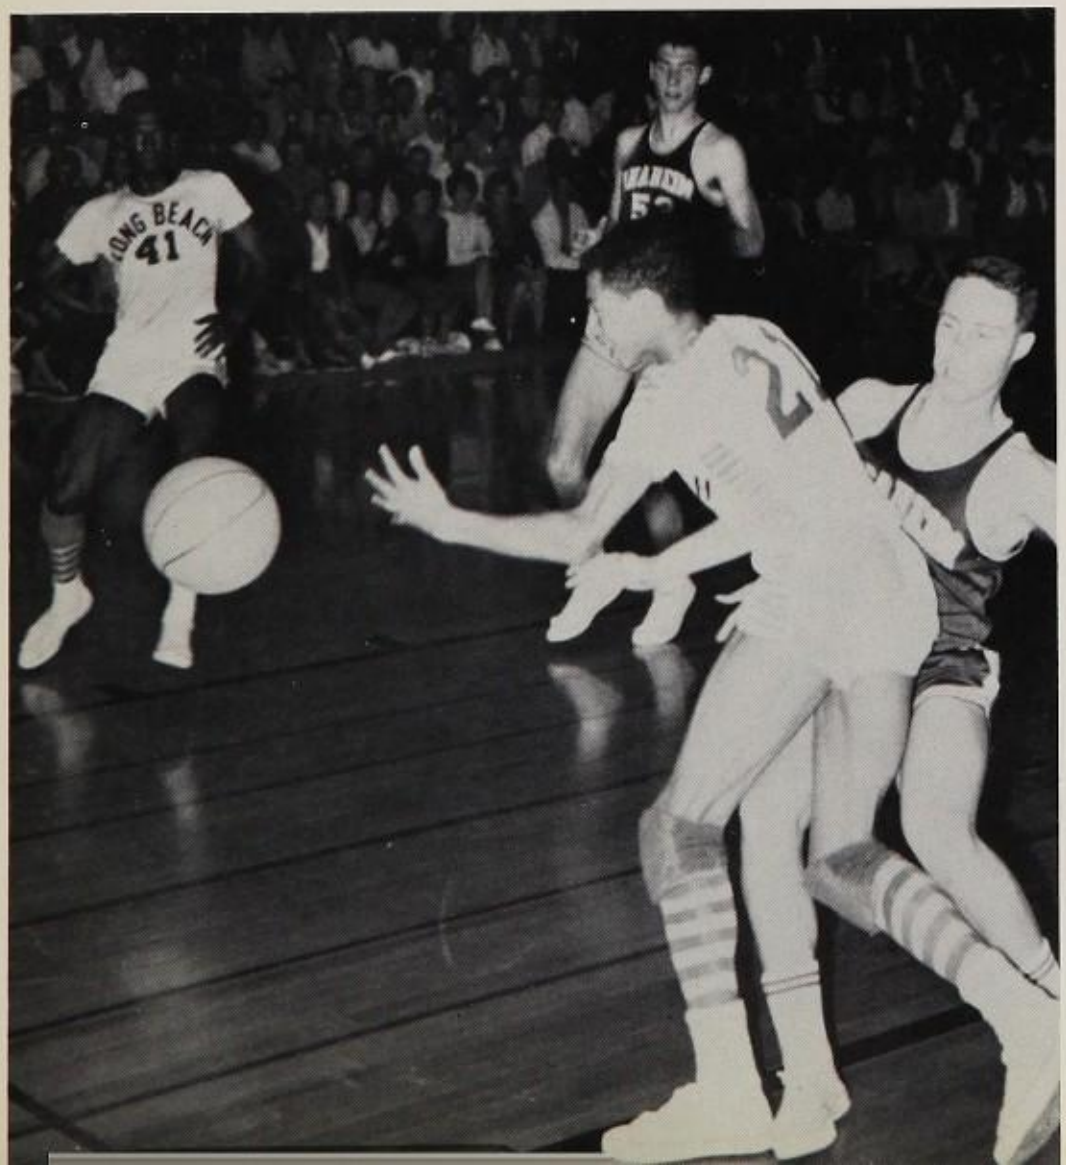
Reaping the rewards of a fine season were the Jackrabbit Hoopsters B. J. Evans, John Rambo, Leddy Baker, and Ollie Brown. These boys were named All-league by the Long Beach high school coaches.

Congratulations to our terrific basketball squad for proving we are "The Home of Scholars and Champions."



Above—6' 6" Senior Leddy Baker goes for a crucial two points against Anaheim during the first of the C.I.F. elimination games. Also pictured are Senior, Carl Washington (21), and Junior, Forrest Lind (22).

Below—also against Anaheim, Carl Washington passes off as B. J. Evans watches with anticipation. Poly won, 46-40.



"Watch that stuff now . . . "

"Ooh! Not like that;"

" . . . one at this end and one at that end."

"See, I told you they could do it!"

Girls' sports

The Girls' Physical Education Department presented a synchronized swimming demonstration that will long be remembered for the many graceful swimmers performing the outstanding routines which were choreographed by student directors: Ginger Bentley, Barb Bradley, Judy Cortright, Mary Devitt, Patricia Kelvin, Maxine Lambertson, Jackie Marquart, Pam McConnell, Lorna Oullette, Maggie Price, and Fay Roswurm. The audience was carried away to such far lands as Russia, France, and the South Sea Islands as they enjoyed the evening extravagazna. "Water Wings Around The World" was directed by the talented Miss Doral Rose, an excellent instructor in water ballet.

Dear Betty,

It has been a ball being in CE with you this year. Even though you are crazy once in a while - Well - I guess I haven't much room talk - It's really fun being crazy isn't it? - I hope some day you will find one to settle down with and I wish all the happiness there is - Love in Christ,

Linda Hamhoff

Betty -
Well what to say! Gosh it sure doesn't seem possible that our "good ole" high school days are over! No complaints huh? 7th Grade was a drag - but I guess you can't go through life with a long face. Remember to go through your list of worries & throw them away! Best of luck ahead!

Sincerely,
Mary Rose Hoffman

Dear Betty,
I can't believe our 8 years together are over. It has been a great pleasure knowing you, especially in the classes we had together. I want to thank you for the many laughs we've had in the past 8 years. Remember the time we had to write a composition about "How to Keep Cool in Summer"? Remember the time we had to write a composition about "How to Keep Warm in Winter"? Remember the time we had to write a composition about "How to Keep Dry in Rain"? Remember the time we had to write a composition about "How to Keep Clean"? Remember the time we had to write a composition about "How to Keep Quiet"? Remember the time we had to write a composition about "How to Keep Alive"?

Dear Bettie,

I really don't know what to say except that you are crazy, nuts, stupid, etc., get the message? I hope you don't trip across the stage tomorrow.

Seriously you are a good friend and I am glad we became friends. We did have our troubles last year though: remember. (you, marla, + I)? What a time we had. Well, these are the things that we will have to remember for years. (ugh)

I sure hope we will continue to be friends for a long time to come. Maybe we can go to the beach or something during the summer. Ok? Ok!

I want to wish you the very best of luck forever in everything you might or might not do in your lifetime.

See you soon.

Love,

Well we have known each other for three years. I never thought we would ever make our senior years. But we finally did at last. We have had a lot of class and fun together. We also have gotten into a few little fights, huh! I wonder who you will ever marry! I bet you never thought I would ever get engaged to Frank. Did you? Maybe some day you will really find the right guy and settle down. HA HA Poor little fool.

I am having a hard time trying to think of anything to say. Oh it looks like my pen is running out of ink.

Betty

You're real nice girl
who I've known for a long time, and
I can truthfully say it's been fun knowing
you, even though I did shoggan down a lot. Good
luck in the future.

Frank Ward

Bettie
at last we made it. It's
hard to believe, huh?
Stay your real sweet gal.
Lots of luck in everything
you do. Be good and take
care of yourself. Love ya Hots.

"Reserved"

Bettie,

To a girl that I love dearly. I know she may not realize it. Someday, day I hope I can make her the happiest girl in the world. When hopes are down, keep your chin up. For someone always loves you and never give up hope. May you be sucessful in everything that you do.

"Love ya always"

Bill

Bettie

well Bettie you won't be here next year & I bet your glad but wait till you have to get a job. Its been nice knowing you and I wish you all the luck in the world.

Bill,
Good luck in all
that you do and be careful
not to get in trouble. That's
easy to do, you know. Oh yeah
I hope you find the right lady
some day.

Love Billie

P.S.
Thanks for the
thousand times you've written
Don't ever make it
Cheer up. Things
Keep on

Dear Bettie
It has been fun knowing you
these last few years. I think you
are a nice girl and I have enjoyed
knowing you very much, I hope I
might see you during the summer
I hope so. We have had lots of jokes
and fun during lunch. I would
also like to congratulate you for
staying in School and graduating
I hope you have a good life and
also have a good future to come
Well I hope I see you some
time

Best of Luck
